

Thank you for the knitting.

Dear Lynne,
Please pass on our grateful thanks to your members for the lovely blankets, cardigans & hats that were recently knitted for our Unit.

We are always in need of knitted items & put them to good use.

Yarmouth WI's continued support means such a lot to us & we really appreciate the time & hard work that goes into knitting these items.

We hope that you all had a good Easter. Ours at the Unit was fairly quiet although, the 'Easter Bunny' did drop in with a little something for our babies!

Sending you all our very best wishes from

Tania Taylor (NURSERY NURSE)
On behalf of the Neonatal Unit, St Marys.
